350+

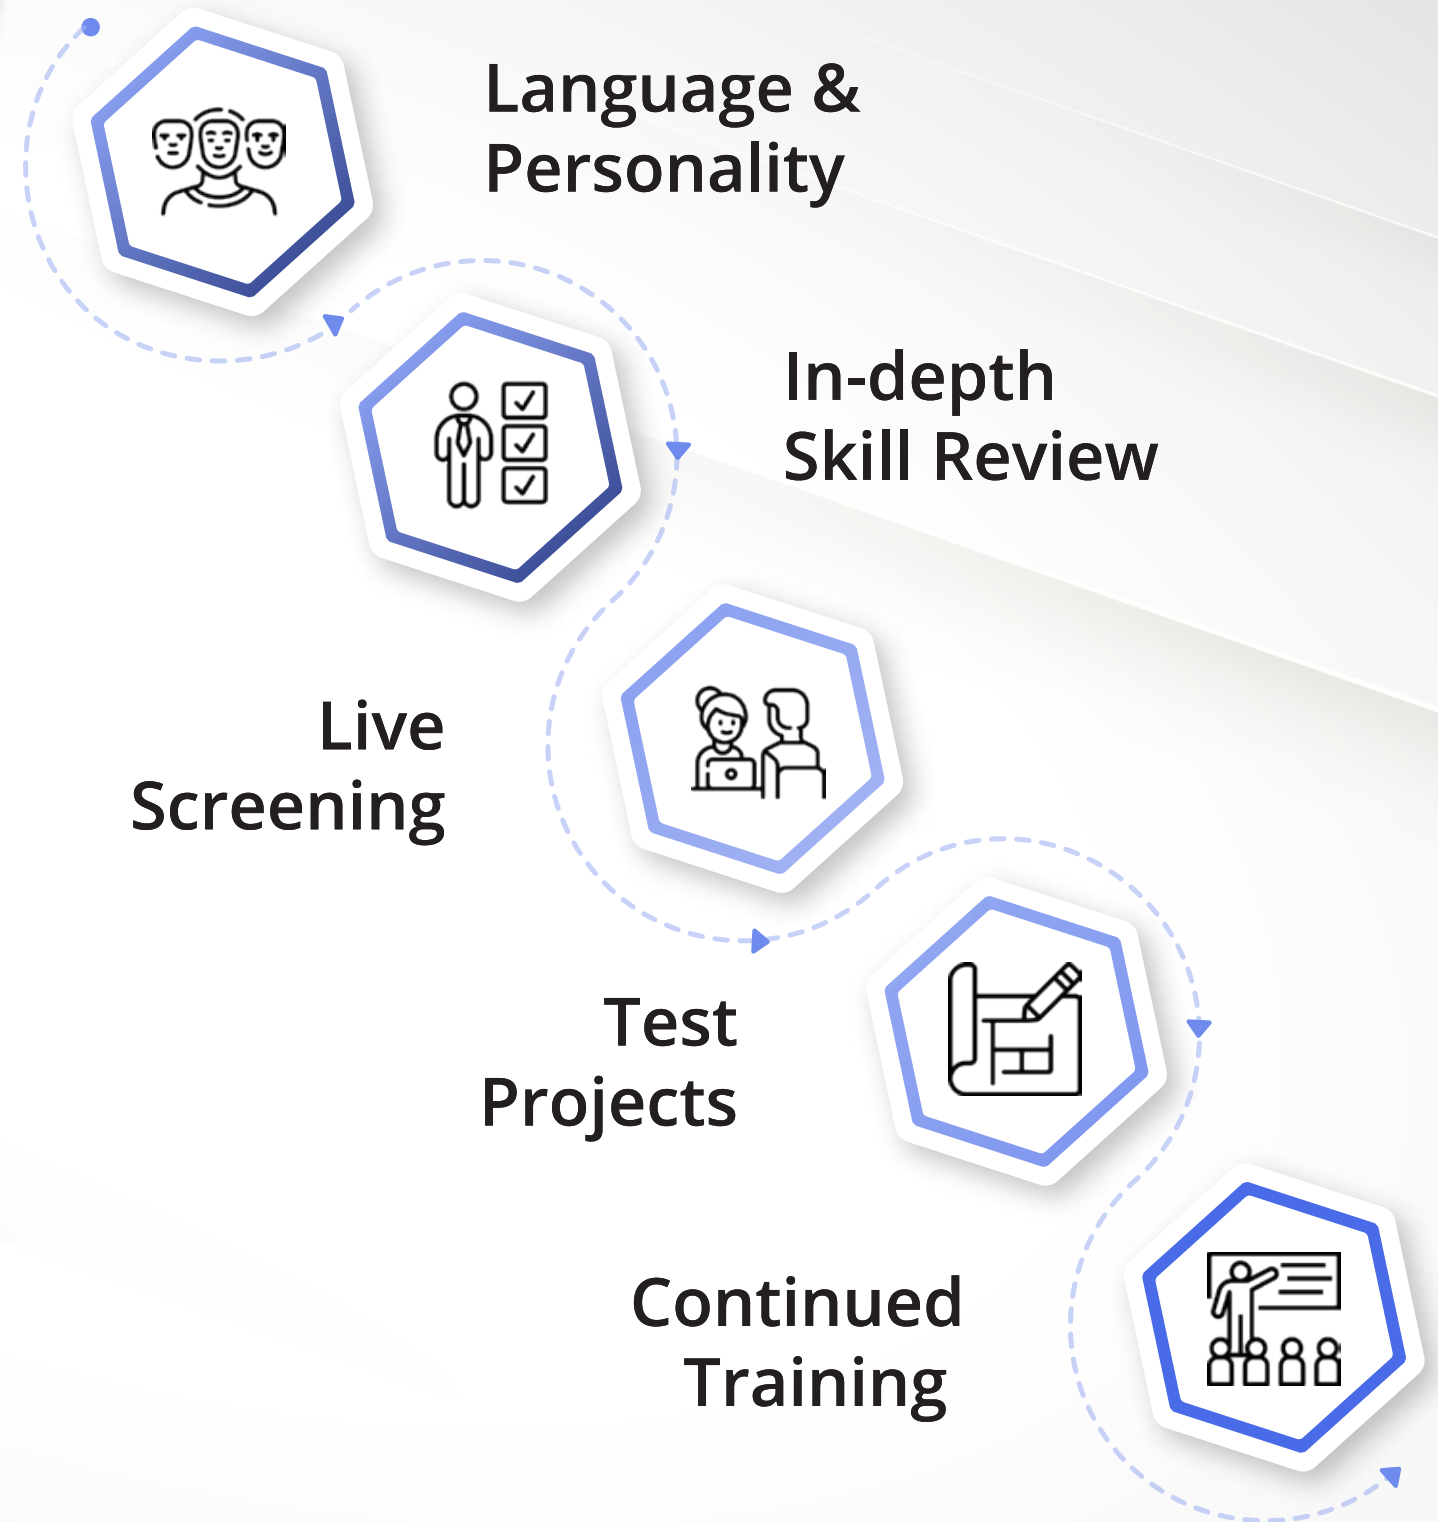

90%

Talent Retention

We build effective and efficient teams to deliver projects on time, on budget, and to succeed.

The 5 Point Recruiting Process

The 5 Point Recruiting Process

01.

Language and Personality

Identify candidate fit using customized metrics that go beyond just technical skills.

02.

In-depth Skill Review

Conduct technical assessments in real time to validate skills.

03.

Live Screening

Our recruiters meet the most promising candidates in a live and recorded screening interview.

04.

Test Projects

We conduct a skill test, to identify best-in-class talent and confirm depth of candidate knowledge.

05.

Continued Training

We work to upskill our best candidates so that they're able to succeed in their new role.

Diversity & Inclusion

We are certified by the National Minority Supplier Development Council for being a minority business enterprise (MBE).

40%

Female representation

70%

Minority representation

Minority-owned corporation

66%

of U.S businesses outsource at least one department.

71%

of financial service executives outsource one or more services.

80%

of organizations today depend on sustainable talent sourcing solutions to keep operations on track.
